- **Refurbished Headset Warranty**

Sideline Power warrants that the refurbished headset systems have been tested and in working condition. Upon receiving your used system and you discover a system malfunction within 10 days,

Sideline Power will:

- Pay all shipping costs to return (ground shipping ONLY) the refurbished system for diagnostic and repair.
- Offer free labor to repair the refurbished system.
- Replace any parts needed to repair the refurbished system at no cost.

System malfunctions brought to the attention of Sideline Power **AFTER** the 10 days of receiving the equipment,

Sideline Power will:

- Provide labor to repair the refurbished system at no cost.
- Replace any parts needed at a discounted price to the customer.

**** After 10 days the customer is responsible for all shipping costs to and from Sideline Power.**

**** This Warranty is only valid for the current year football season in which the system is purchased.**

****There are no refunds on refurbished systems. If Sideline Power is unable to repair the refurbished system, they will replace the system with a similar or equivalent refurbished system.**

****This warranty does not apply to any environmental or system interference issues.**
